The **ChildGUARD** plan is a straightforward and affordable way to begin a plan of life insurance protection for each of your grandchildren from birth to age 23*.

How Does ChildGUARD Work?

A one-time premium payment of $250 provides one unit of protection with the following life insurance guarantees**:

- **$5,000 from Age 0 through Age 12**
- **$10,000 from Age 13 through Age 17**
- **$15,000 from Age 18 to Age 23**

* Issue ages 0-18
** A maximum of two units of insurance may be purchased on each grandchild

With the purchase of ChildGUARD, your grandchild will be insured through their 23rd birthday.

After that, your grandchild can take advantage of ChildGUARD's future insurability guarantee, which allows your grandchild to continue with permanent life insurance protection up to $100,000 by paying premiums at age 23†.

This means that no matter what your grandchild's health situation may be at age 23, they are guaranteed coverage.
